★ **ADDITIONAL RESPONSIBILITY THIS WEEK: FTS TRAINING LEAD**

- You are responsible for training all reception and admin staff at ALL FOUR practices on FTS pricing, the patient journey, and the consultation script.
- Deliver the training to Charlotte (Ashford/Bexley) and Serena (Rochester) via Zoom or WhatsApp video call by **Wednesday 2 July**.
- Create a one-page FTS Training Reference Card for all practices to print and keep at reception.
- Get written confirmation from Charlotte and Serena that their teams have been briefed.
- **PROOF:** Record the training session (Loom, Zoom, or screen record). Upload the reference card. Forward Charlotte and Serena's confirmation messages to Nadia and Gaurav.

Your job this week covers two things: (1) run all the same in-practice FTS tasks as Charlotte and Serena but for Barnet, and (2) train all four practice teams on FTS. Every task has a proof upload and a status update box — fill these in daily and WhatsApp your update to the group by 5pm. Nadia and Gaurav review everything on Friday.

3-MINUTE LEAD RESPONSE + PRICING

★ **Activate the 3-Minute Lead Response Rule at Barnet.**

Every FTS enquiry — phone, web form, WhatsApp, Facebook — must be called back within 3 minutes. Assign one named lead responder per shift. Set up a WhatsApp alert group so the whole team sees each lead instantly. Print the rule and post it at reception.

PROOF: Photo of 3-minute rule posted at Barnet reception — upload to shared folder.

★ **Confirm with Nikhil that the auto-SMS is being activated in GoHighLevel today.**

If a lead is not called within 3 minutes, an automatic SMS fires to the patient saying the team will call shortly. Message Nikhil now: "Is the 3-minute auto-SMS live in GHL for Barnet?" If it's not being done today — escalate to Nadia immediately. Ask Nikhil to send you a screenshot when it's live.

☐ **Brief all Barnet reception and admin staff on the FTS lead process.**

Every person who might answer the phone or greet a patient needs to know: what FTS is, what to say when someone enquires, how to book a consultation, and how to log the lead. Script for the first call: *"Thank you for calling about Fixed Teeth Solutions. We offer a free no-obligation consultation — the treatment starts from £7,997 all-inclusive and we have 0% finance available, so many patients pay from £X per month. Can I book you in for a free consultation this week?"*

★ FTS TRAINING REFERENCE CARD (DUE TODAY)

★ **Create the FTS Training Reference Card — one A4 page, share with all practices by end of Tuesday.**

This is the single document all four practices will print and keep at reception. It must be clear enough for someone to pick up and use immediately. Include:

- **The 3 FTS package prices** — Starter £7,997 | Mid £11,997 | Premium £14,997 — with monthly finance figures under each
- **What FTS is in plain English** — "Permanent fixed teeth, no removable dentures. Suitable for patients with missing teeth, failing teeth, or those who wear dentures."
- **Who it's for** — "Patients aged 40+ with multiple missing teeth, failing teeth, or uncomfortable dentures. Both arches or single arch."
- **First call script** — how to greet the enquiry, confirm interest, and book the free consultation in under 3 minutes
- **Top 3 objections and answers** — "Too expensive" → "It's from £X/month on 0% finance" | "Need to think" → "Let's pencil in a provisional date — no commitment" | "Not sure if suitable" → "That's exactly what the free consultation is for"
- **Who to pass clinical questions to** — the lead dentist or clinical lead at each practice

Share the card as a PDF with Charlotte, Serena, Nadia and Gaurav by end of Tuesday.
